# 01/ABOUT

BELLI
Costa Rican/Italian DJ bringing Latin influences into a modern Club Sound.

## PRESENTATION

BELLI is a Costa Rican DJ and producer whose sound blends Latin influences with Tech House, Latin Tech and Afro Tech. Originally developing his roots through open-format DJing, BELLI has evolved toward a more defined club sound, combining recognizable vocals, driving grooves and carefully crafted edits designed for the dancefloor.
With performances across Costa Rica and a strong connection to Italy, BELLI is building an identity focused on energy, musical selection and a distinctive **Latin-driven club sound.**
